Job Title: Health Care Supervisor

Reports To: Camp Director

Position Purpose:

Health Care Supervisor is responsible for overseeing the health and safety of campers and staff. Maintain and log all medications given and all incident reports.

Essential Job Functions:

1. **Provide health care to meet individual needs of camp staff and campers.**
 - Follow health care policies/procedures as described in the Healthcare Manual and treatment procedures.
2. **Organize, maintain, and utilize adequate resources for serving the health and medical needs of the campers and staff.**
 - Set up the camp Health Center.
 - Inventory and order all necessary medical supplies and equipment.
3. **Maintain accurate and detailed medical records according to state and Camp Occohannock on the Bay's Standards.**
 - Ensure staff and camper health examinations are current and on file.
 - Prepare and utilize daily medical log for treatment and medications.
 - Prepare and record insurance and accident report forms.
4. **Oversee First Aid procedures and supplies.**
 - Prepare and distribute first aid kits throughout camp including camp vehicles, kitchen, offices, waterfront, activity areas, out-of-camp trips.
 - Ensure supplies are well stocked and distributed as needed.
5. **Ensure a staff orientation session is delivered on medical services during staff training.**
 - Ensure camp staff know their role related to health care and first aid.
 - Provide or ensure orientation is provided that includes clinic hours, specific camper health needs, health center procedures, emergency procedures, staff health assessment of campers, accident prevention and risk management, nutrition, and first aid in the camp setting.
