

You're invited to the 13th Annual Camp Occohannock Fundraiser

Freezing for a Reason Polar Duck Dip 2021

Come and enjoy time spent with your family, friends, and community while supporting the Eastern Shore's favorite summer camp and retreat center. We are still working towards our goal of \$50,000.00 to help with the income loss from the unforeseen virus that has made its way around the world. We are halfway to our goal and would like for you to help us get the rest of the way there. This would help us sustain Camp Occohannock until groups are scheduled to return to the camp in March 2021.
